Texas	2
New Mexico	0

STAKEHOLDER COMMUNICATIONS

State EOC

- Enterprise Preparedness – Tuesday and Thursday

PUC/PRC

- Regulatory Affairs – Weekly

City/County

- Community Relations – As Needed

OPERATIONS

General

- Governor Abbott issued an Executive Order lifting the mask mandate in Texas. Beginning Wednesday, March 10, all businesses of any type may open to 100% capacity. Businesses may still limit capacity or implement additional safety protocols at their own discretion.
- The State of NM transitioned to a tiered county by county COVID-19 risk system to allow local communities flexibility to operate day to day activities after the two-week reset period that ended November 30th. Counties will operate under three levels: Red, signifying very high risk; Yellow, signifying high risk; and Green, signifying medium risk. Each level carries its own set of restrictions.
 - Quay, Roosevelt, and Lea Counties have moved to Turquoise – 75% dining capacity and retail capacity at 50%
 - Chaves and Eddy Counties moved to Green – 50% dining capacity and retail capacity at 50%
- All employees mandated to perform coronavirus symptom self-check prior to coming to company offices or the jobsite and during their shift.
- Daily “well checks” w/ temperature readings required in addition to numerous other protocols for employee entry.
- Employees will continue to work from home until vaccinations are widely available to the general population and the pandemic is beginning to recede.
- Company continues to evaluate the return to the office for employees that are required for filings or special projects and will return a small contingent on April 19th.
- Face coverings are required in all company facilities

264
